

Noise Network Plus: Next Steps

Mark Plumbley, Antonio J. Torija Martinez

Ongoing

Today (18 March 2025)

- Launch meeting
 - Help identify issues, challenges, approaches, who can help, ...

Also ongoing

- Recruit Project Manager
- Email list (noise@jiscmail.ac.uk), domain (noise.ac.uk), ...
- LinkedIn page: <https://www.linkedin.com/company/noise-network-plus>

Forthcoming

- Formation of Working Groups
- Defining Missions
 - Year 1: Define noise-related challenges & translate into missions
 - Year 2-3: Coordination and embedding for NN+ legacy
- Pilot Projects: Calls for Proposals
 - Call 1: End of year 1 & Projects run in year 2
 - Call 2: End of year 2 & Projects run in year 3
- Events: Workshops, summer schools

How can you help?

- Contribute to Working Groups (Call for Eols to follow)
- Contributions to Missions
- Determining priorities for calls, reviewing proposals
- Hosting events (e.g., WG workshops)
- Make links with other organizations (legacy of NN+)

- To start: Sign up to the mailing list! JISCmail.ac.uk/NOISE

Working together, we can Engineer a Quieter Future!
